Case No 09-CR-457

V

Notice Of Appeal

Shannon Williams

I, Shannon Williams hereby AVERs that my Appeals in ORDERS 1129, 1051 & 1093 were all in good faith. The district court has consistently ignored Stare decisis AND the F.R. CrimP. to deprive the defendant of my due process rights.

The court has ENGAGED in multiple EX-PARTE HEARINGS with opposing counsel of which the defendant has filed A judicial complaint AND in retaliation the district court is issuing Rulings CONTRARY to the evidence to hide it's own misconduct.

Wherefore I pray the court find my interlocutory Appeals present genuine issues for the court of Appeals.

Respectfully Submitted this 3rd day of November 2011
